Alexandria, VA 22313-1450

Dear Sir:

Qwest Communications International, Inc., a corporation fully organized under the laws of the State of Delaware and having a place of business at 1801 California Street, Denver, Colorado 80202, is the owner of 100 percent interest in and to U.S. Patent Application Serial No. 09/842,581, for METHOD AND SYSTEM FOR DYNAMIC MESSAGE REGISTRATION BY A SERVICE CONTROLLER, filed April 25, 2001, and hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on U.S. Patent Application Serial No. 09/842,581 which would extend beyond the expiration date of the full statutory term defined in 35 USC §§ 154 to 156, as presently shortened by any terminal disclaimer, of prior U.S. Patent No. 6,674,725. The owner hereby agrees that any patent so granted on U.S. Patent

Application Serial No. 09/842,581 shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding on the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on U.S. Patent Application Serial No. 09/842,581 that would extend to the expiration date of the full statutory term as defined in 35 USC §§ 154 to 156 of the prior patent, as presently shortened by any terminal disclaimer, in the event that any such patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims cancelled by reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

A check for the statutory disclaimer fee of \$130.00 as specified under 37 C.F.R. § 1.20(d) is enclosed herewith.

The undersigned is a principal of Qwest Communications International, Inc. as defined by 37 C.F.R. § 1.32.

Date:

8/5/05
